

# Prepared. Protected. Perfected

## Corporate Profile

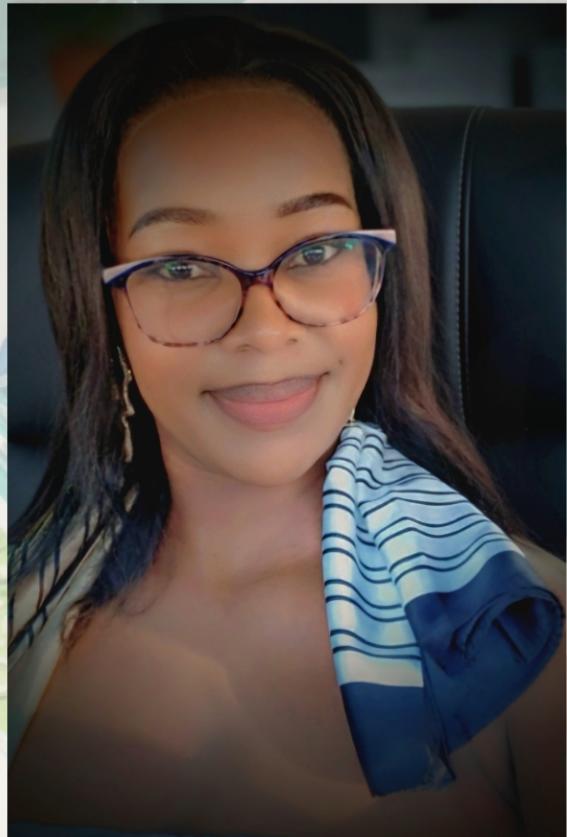

BAXO SOLUTIONS is dedicated to ending supply chain uncertainty for critical industries. We are a specialized supplier of certified medical consumables, high-grade Personal Protective Equipment (PPE), and essential industrial hygiene solutions. Our foundation is built on specialized expertise in pharmacy management, clinical logistics, and medical telesales/consulting, ensuring we understand client needs from the front lines of healthcare and industry.

## Our Service

- Certified PPE & Safety Gear: High-visibility vests, protective eyewear, respirators, safety boots, and professional uniforms.
- Medical Consumables: Surgical gloves, specialized diagnostic supplies, wound care, and first aid kits.
- Industrial & Hygiene: Bulk cleaning chemicals, mopping systems, and specialized disinfectants

## Our Mission & Value

- Our mission is to guarantee the operational integrity of our clients. We ensure businesses can fully focus on their core functions, free from the risk of supply disruptions.

## Leadership Profile

**Banabotlhe Tebape** is the visionary and operational leader of BAXO SOLUTIONS. Her commitment to quality and service is rooted in over a decade of firsthand experience in the healthcare supply sector, including roles in pharmacy management, front shop logistics, and medical telesales/consulting. Her operational knowledge ensures that every product supplied by BAXO SOLUTIONS is selected not just for price, but for practical efficacy and regulatory compliance.
